Topics of your life

Question list, find a ecovillage, what is in that place, for you really important?

Global

- What does a normal day look like for the people in your future place?
- Do I stay for a long time, for months/years, or only seasonally, or shorter? Possibly two places, change more often?
- Are animals used? Chickens or more?
- Rescued animals or to use/eat?
- Are there certain months that are "still" binding, locally/temporally?
- Entirely without people consuming alc./drugs or smoking?
- Is area separation enough?
- Is it the original forest, or what was the place before?

Important because:

Money

- How much money is available per month, or is needed?
- Can I help less and get paid more, or the other way around?

Important because:

Vision

- Should the project be more focused on volunteering (Woofing, Workaway), visiting (Airbnb), or living?
- Should it be more focused on the spiritual, the ecological, or other?
- Should it be freshly founded (open) or established (lots of structure)?
- Is seminar business ok, or without, or separate from living space?

Important because:

Technical

- Do you need internet? With mobile card, or should there be cable/WLAN on site? In zones or everywhere?
- Is there a laptop time or recharge times (sunshine only)? Is it solar or something?
- Are there work areas with power, or only in the restaurant, or in the room?
- Are technology free zones important?

Important because:

In your situation, there may be other factors that are important to consider, of course.
